

**STRONG TOGETHER has a new meaning...**

## **We are \$100,000 strong!**

It's a new record for St. Luke's...for the first time in our 50 year history we have exceeded \$100,000 in our Annual Giving Campaign. This money has been contributed in large part by our faculty and staff, board and vestry, parents and grandparents, as well as, former teachers, former families and alumni.

This is a tremendous sign of commitment and support from them!

### ***Interesting facts about this year....***

100% Faculty participation

100% Staff participation

100% Board participation

100% Vestry participation

### ***all of this happened in approximately 100 days***

(108 to be exact)

The only group missing from this list is the parents. We want you to be part of this remarkable accomplishment. Please consider what your family could give to the STRONG TOGETHER campaign.

Literally, ANYTHING will be appreciated.

Every dollar raised will directly benefit the students and teachers.

Click here to donate now.
