

December 9<sup>th</sup>, 2011

Dear Parents,

If your child is interested in participating in archery this year, please return the attached form to me no later than Wednesday, January 11<sup>th</sup>. This is a new deadline in hopes that older students will sign up in order for us to have a high school archery team. We are excited about receiving another \$3,000.00 grant from Easton. With that money, we are able to supply the Japonica Gym with ten new targets, two curtains, eleven new bows and two bow racks.

Once again, the St. Luke's Archery Teams must participate in Regionals in order to qualify for the State Tournament in Birmingham. The Regionals will be held at Alma Bryant High School Thursday and Friday, February 9<sup>th</sup> and 10<sup>th</sup> during school hours. We will probably miss around 4 hours of school time. There is a \$10.00 entry fee for each student. There is not a limit to the number of shooters on each team for Regionals, therefore, any student wishing to participate in Regionals may do so. However, after Regionals, only the top 24 students on each team will be allowed to advance to the State Tournament, eight of which must be of the opposite gender. So, if your child is interested in participating in the Regional Tournament, please understand that you are also making a commitment that your child will be able to continue practicing and will be able to participate in the State Tournament, provided that your child is one of the top 24 shooters. The State Tournament will be held in Birmingham Thursday, April 5<sup>th</sup>, the day before Good Friday.

Provided that there are enough students for each team, St. Luke's will once again have three archery teams. The Elementary Team is 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> graders, the Middle School Team is 7<sup>th</sup> & 8<sup>th</sup> graders, and the High School Team is 9<sup>th</sup> graders and up. Please note that archery will not interfere with any after school activities. I will be glad to work around your child's schedule. I plan on having several Saturday practices so that the students involved in athletics may also participate in archery. Many students are able to practice at home, which is fine with me.

If your child qualifies for the State Tournament in Birmingham, there will be a \$15.00 registration fee, plus the cost of getting to and from Birmingham. In addition, we will also have several local tournaments during the season. Please feel free to call me if you have any questions.

Sincerely,  
Macy McKay
